

WORK SHEETS

GIRL OF 672K

This documentary tells the story of Annegien and the photos she creates and then shares on her Instagram profile. After watching the film answer the following questions?

1. What type of content is Annegien creating and sharing on Instagram?

2. Why do you think her profile is so popular?

3. How does she create her photos?

4. How would you describe her photos?

5. Do you think her photos could be described as art? Explain why?

6. How does Annegien differ from her online presence/profile as Fetching_tigerss?

7. How does Annegien compare to the You tubers?

8. How does Annegien she feel about creating content for money?

9. What is the most important purpose for Annegien ?

Conclusion

As a class, discuss your answers.

Do your answers help tell you how she is really feeling and the by exploring the positive and negative experiences she has had as result of her successful and popular Instagram profile?

The positive and negative effects of using social media.

List what you think are the Pros and Cons of using social media for young people today.

Pros

Cons

Introduction:

i.e. "Hi! Welcome to the Me and My Presentation on Social Media - the difference between offline and online self presentation Podcast."

(Keep any introduction very brief and to the point. Say the name of the podcast, maybe your own name or what the podcast is about, and what topic you're focusing on this episode.)

[INTRO JINGLE]

Extend Intro into Main Content:

(Make brief notes here. The host then has points that they can make sure they mention, while also not reading from the page directly causing a robotic sounding tone.)

[MID-ROLL JINGLE & ADS]

More on Main Topic OR Second Topic discussion, i.e. interview or guest host.

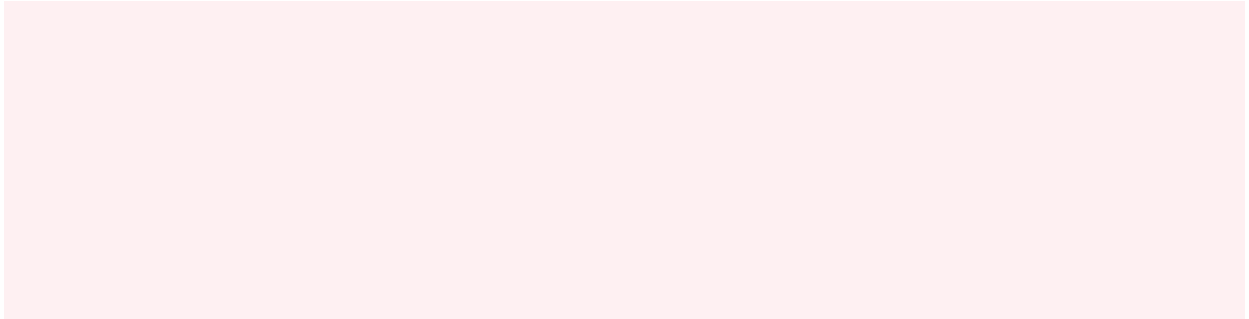

(More brief notes here on the topic you want to cover. Remember not to write fully scripted lines to avoid sounding rigid or robotic.)

Sign Off & Call to Action

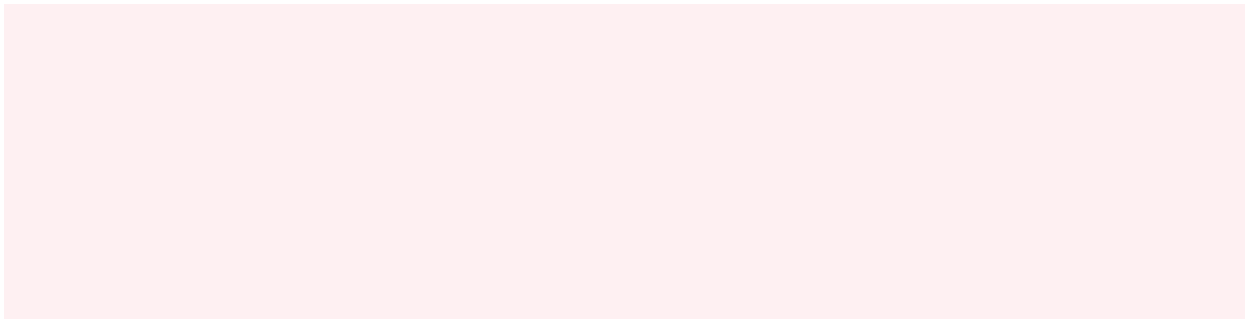

i.e. "That's all for this episode! Thanks for listening, and remember, if you want to support what we do then share, subscribe, and leave a review over on iTunes. That's all for now, but I'll see you in the next episode of Me and My Presentation on Social Media - the difference between offline and online self presentation Podcast."

[OUTRO JINGLE]

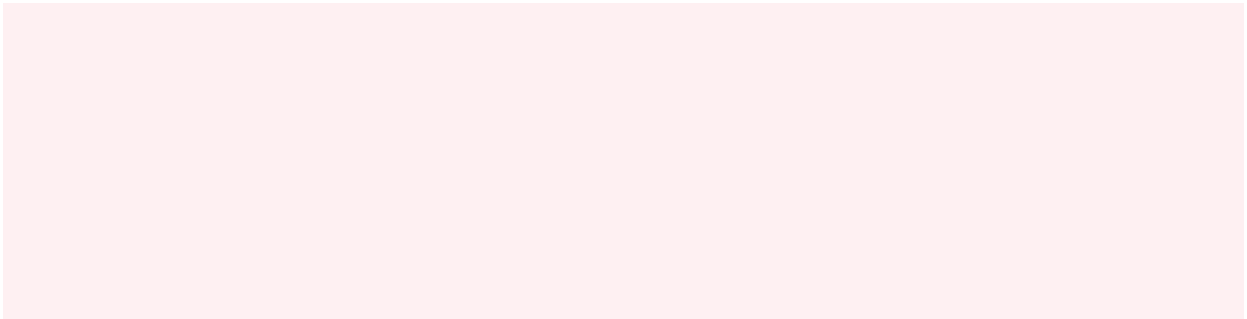

1. Organise your team - who is going to do what?

A large, empty pink rectangular box intended for writing notes or answers to the first question.

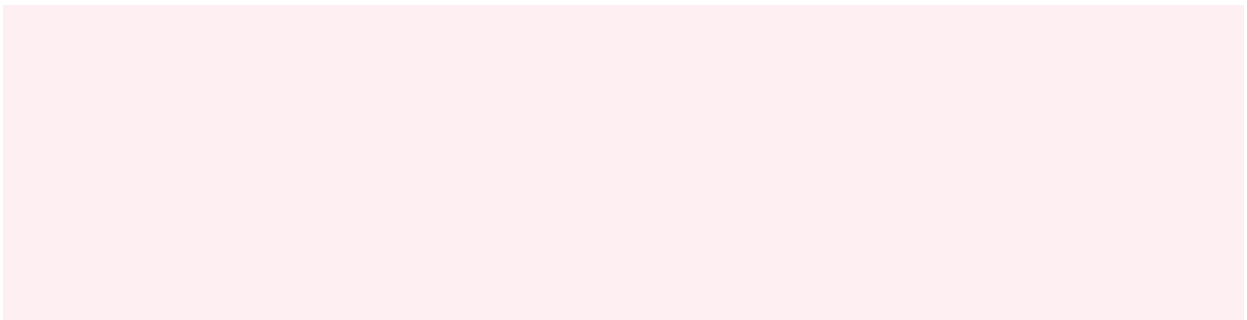

2. What is the focus of your Podcast?

A large, empty pink rectangular box intended for writing notes or answers to the second question.

3. Research Podcasts and what makes them engaging?

A large, empty pink rectangular box intended for writing notes or answers to the third question.

4. How are you going to make your Podcast interesting to listen to?

A large, empty pink rectangular box intended for writing notes or answers to the fourth question.
